

**PURAL**  
WATER SPECIALTY CO. INC.

## Building Water Management Reactivation Plan

Existing potable cold and hot water piping, storage tanks, cooling towers, water features and fixtures have the potential to become contaminated with various pathogens after sitting stagnant for a period of time. Pural Water's program is designed to meet Federal, State and County Standards for reactivation of a potable water system.

If disinfection is needed, Pural Water's program will comply with the requirements of the following agencies:

American Water Works Association  
State of Hawaii, Department of Health  
County of Maui, Department of Water Supply  
County of Hawaii, Department of Water Supply  
Honolulu Board of Water Supply
