

**PURAL**  
WATER SPECIALTY CO. INC.

## Close Circuit Television (CCTV) Inspection Services

Pural Water Specialty Co., one of Hawaii's leaders in niche water services and technologies provides camera inspection and record imaging service of newly constructed underground piping.

Various government and private jobs have specifications requiring newly constructed sewer lines and storm drains to be visually inspected and documented. Utilizing various recording media including color DVD and flash drive video our reporting procedure meets Hawaii's County and Federal standards.

Our CCTV technicians utilize both hand push and tractor cameras. The technicians are National Association of Sewer Service Co.(NASSCO) trained and certified in the various programs to include:

- Pipeline Assessment Certification Program (PACP),
- Manhole Assessment and Certification Program (MACP)
- Lateral Assessment and Certification Program (LACP)

Pural Water Specialties Co.'s technicians are also trained and equipped for Confined Space Work.

Interested in any of our many specialty services... email [info@puralwater.com](mailto:info@puralwater.com)
