

**PURAL**  
WATER SPECIALTY CO. INC.

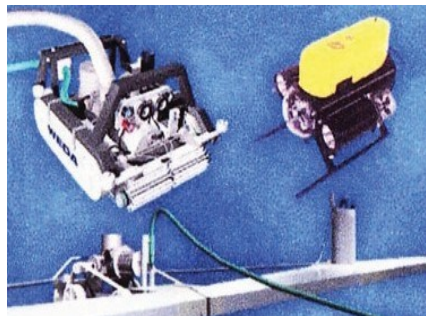

## Robotic Tank Inspection

Pural is the leader in water technologies throughout the State of Hawaii. Our commitment to quality service combined with our focus on new technologies has led us to introduce a new service available only in Hawaii through Pural,

### Tank Inspection Services

These services are provided to both private and governmental agencies involved in the storage and distribution of potable water. Our technology is mobile allowing the unprecedented flexibility to meet our clients needs. Pural's highly trained staff will utilize this new technology to help make tank inspections less time consuming and more cost effective.

Pural's utilizes state of the art robotic technology to bring tank inspection to a new level. The combination of highly trained technicians combined with high tech equipment allow Pural to offer zero down time to our customers water storage systems during the process.

Remote Operated Submersible Robot

Pural will provide the users of the service unprecedented savings in both time and money through its non-invasive robotic technology.

Typical water storage tank capable of being serviced by Pural.
