PURAL
WATER SPECIALTY CO. INC.
An Employee Owned Company

Providing cost effective solutions to the water industry.

Boiler Services

Maintenance, Repair and Replacement

General and preventative boiler maintenance is the number one way to avoid costly outages and expensive equipment repairs. Also a well-maintained Boiler reduces operating cost and increases safety and reliability.

For over 20 years our staff of factory trained technicians provides maintenance service for all boiler types including steam, gas, electric, etc.. A scheduled maintenance program ensures optimum boiler efficiency and energy savings.

Boiler Tech Chad doing a final inspection before firing up a steam boiler at Wahiawa General Hospital
